Glass Dimensions

The products of Glass Dimensions are designed, handcrafted and hand blown in Essex on Cape Ann, Massachusetts. Once famous for its shipbuilding industry, the Essex area has a long tradition of fine craftsmanship. In that same tradition, Glass Dimensions has approached the art of shaping glass into eye-catching, functional designs.

Braided Rugs by Thorndike Mills

By combining yesteryear's techniques with modern day technology and using only the highest quality American made new cloth materials, Thorndike Mills creates beautiful and durable authentic colonial-era braided rugs.

These rugs have been made in Massachusetts by skilled craftsmen for over ¾ of a century. The quality and variety range from synthetic fibers to heavy wool cloth braids. Constructed to lie perfectly flat, each reflects the style, beauty and ruggedness of colonial New England. Call for prices.
